Fig 1

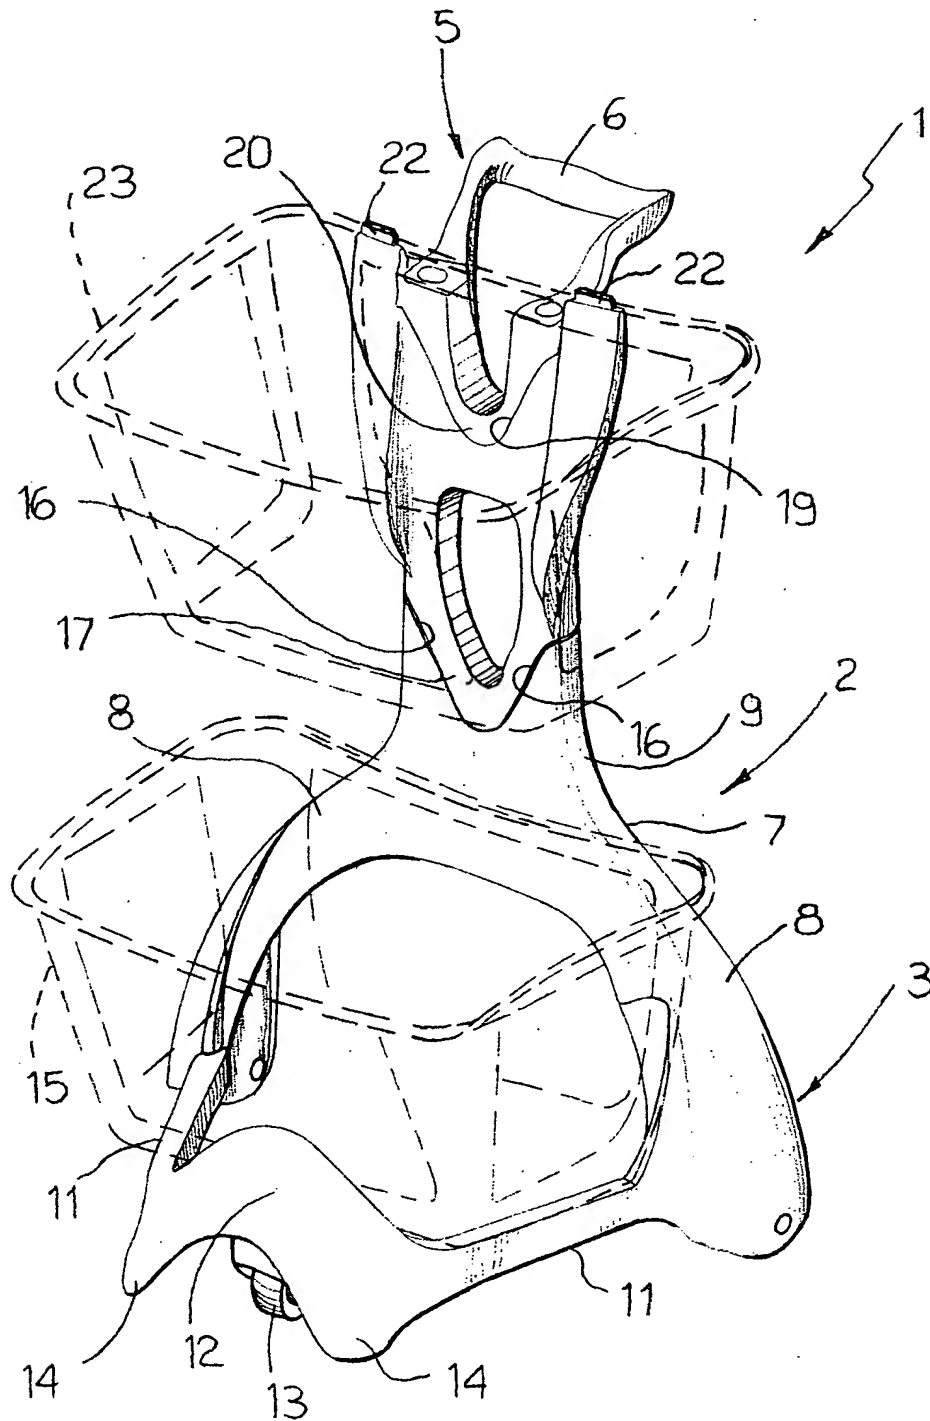

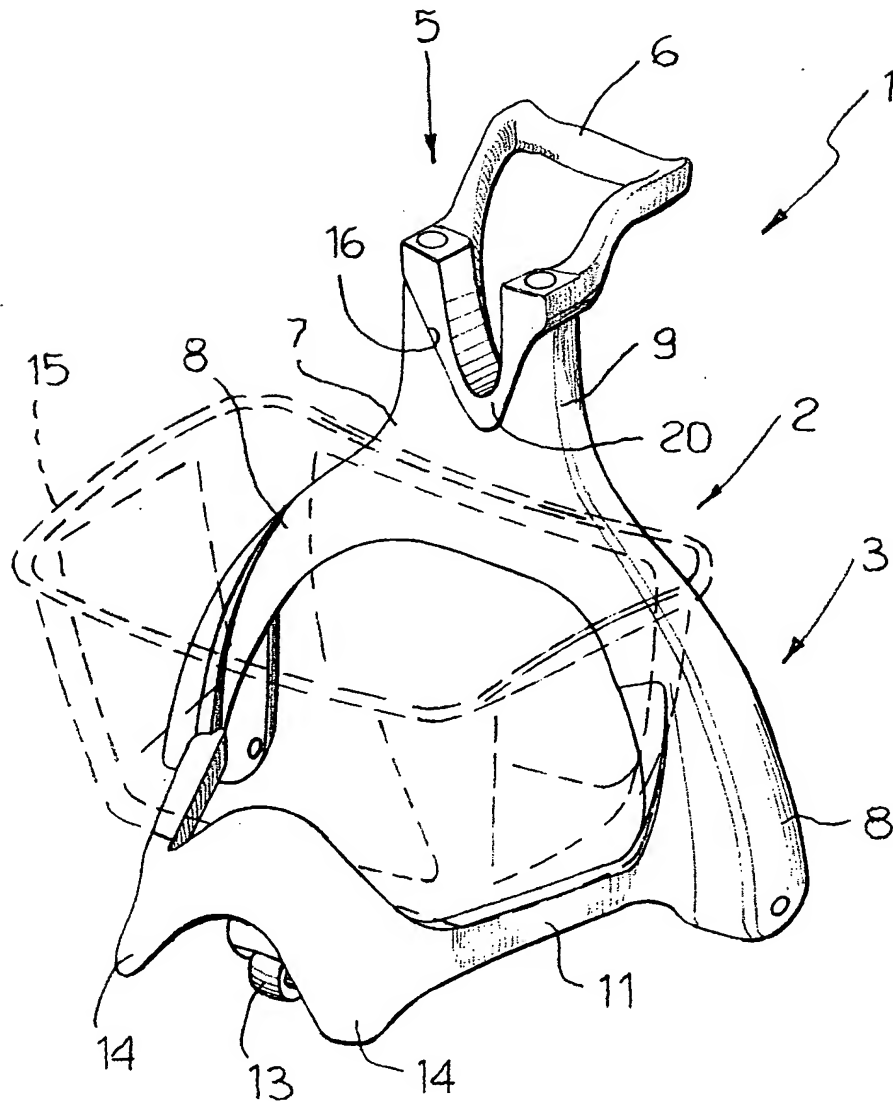

Fig. 2

This exploded perspective view shows the assembly of a mechanical device. The main body (3) is a complex, curved structure with a central vertical channel (9) and side flanges (7, 8). It is shown in an exploded state relative to several other components: a top bracket (5) with mounting pins (6) and a central pin (26); a front plate (16) with a central slot; a rear plate (11) with a central slot; a base plate (10) with a central slot; a side plate (13) with a central slot; and a bottom plate (25) with a central slot. The assembly is held together by various screws and bolts, including a large central screw (25) and smaller screws (11, 10, 13, 26).
